- Grade 11 or 12

What Do I get?

- 16 High School Credits
- 1st Year Pre-Employment

Electricians install, alter, repair and maintain electrical systems designed to provide heat, light, power, control, or signal alarms for all types of buildings, structures and premises. Some electricians specialize in specific types of installations such as housing developments, office buildings, hospitals and factories. There are many great opportunities in this career!
